1. In view of the increasing number of learners and teachers affected by influenza and as a preventive health and safety measure, **Modular Distance Learning (MDL)** shall be implemented on **Monday, October 5, 2026**.

2. This temporary learning modality will also allow the school to ensure a safe and healthy learning environment following the scheduled **deep cleaning and disinfection of all classrooms** to be conducted by the School Parent-Teacher Association (SPTA) Officers on **October 3, 2026 (Saturday)**. 3. In this regard, the following shall be observed:

- A. Teachers shall prepare and distribute the necessary learning modules and activities to learners.
- B. Learners shall accomplish the assigned tasks at home and submit them according to the instructions of their respective teachers.
- C. Teachers shall remain accessible through appropriate communication channels to provide guidance and support to learners and parents.
- D. Classes shall resume through regular face-to-face modality on **Tuesday, October 6, 2026**, subject to further advisory from the school.
